Dear CDS Families:

The students of CDS must wear specific styles and colors of clothing while on the school campus and during off-campus activities. Many items, including P.E. uniforms and logo polo shirts, may now be purchased through the SCHOOL STORE – order forms are available through the office.

Attached, you will find a copy of the Lands' End catalog, together with a list of the specific styles that will be allowed.

In general, the color of pants and skirts will be navy or khaki. Any clothing with belt loops, must be worn with a belt (brown, black or navy). The colors for shirts and sweaters will be white, light blue, navy, maize, and chambray blue. Parents may purchase clothing from any vendor, as long as the COLORS, STYLE, AND MATERIALS are comparable with the colors, styles and materials in the Lands' End catalog. (For the nominal fee of \$5.00 our parent clothing vendor will embroider the school logo on any item of clothing). It is expected that at all times students' clothing will be clean, tidy and in good repair, with shirt and blouse tails properly tucked in. Shoes must be clean, fastened, and have a minimum of a heel strap. Socks are required at all times. Shoes may be navy, tan, brown, black or white. Flip-flops, wheelies, clogs and crocs are not permitted.

CDS is officially registered as a preferred school with Lands' End. You may order from the catalog, by phone, or through the Internet. When you provide Lands' End with our name, CDS will receive a 3% rebate, providing the school with a built-in fundraiser. When using the Internet, use Schoolpop.com or Schoolcash.com for an extra rebate to the school.

Required P.E. Clothes shall consist of blue shorts and sweatpants and gold shirts and sweatshirts, and, as mentioned above, are available through the school store.

All students in Smart Start through Eighth Grade are required to wear the school uniform. It is also **MANDATORY**, that each student in Smart Start through Eighth Grade have at least ONE POLO SHIRT WITH THE SCHOOL LOGO. These are worn every Wednesday, on all field trips and for special events. The color of the shirt is determined by the student's Blue/Gold team designation. Students on the Blue Team shall have the CLASSIC NAVY, and students on the Gold Team shall have the MAIZE.

When ordering from the Lands' End catalog, please note the following:

The CDS Preferred School Number is: **9000-5375-2**
The CDS School Logo Number is: **00 374 36K**.

Thank you
